I ask that a Vaughn index, if provided, be accompanied by an affidavit signed by the public body's official withholding any of the documents hereby requested. Such affidavit should indicate why these documents would be exempt and why their disclosure could be harmful to that public body.

If any of the writings I am requesting do not exist, please specifically indicate in letterform, which documents are not in existence.

If any of the writings I am requesting are not available through your institution, please designate where the requested writings may be obtained.

If you are not able to address this request in a timely manner for any reason, I am requesting that the task be delegated to another person within your institution who can complete the request within the statutory time limitation.

I look forward to receiving the documents I have requested in the near future. I am willing to pay reasonable costs for reproducing any copies of writings I have requested.

Thank you for your attention to this matter. If there are any questions, please call.
